About Us

BETZ Engineering & Technology Zone is an accredited International Agency for American Welding Society, Florida, USA. To conduct seminars and certification programs for AWS in India and Worldwide, BETZ is an ISO 9001:2008 company. Also BETZ is the only "ATF-Accredited Test Facility" by AWS to evaluate and certify welders in India.

AWS / CWI

"The AWS/CWI Certification is one of the industry's most reputed Stamps of approval. Industry professional who qualify for CWI & SCWI are highly regarded and sought after throughout the welding and QA/QC industry, because certification adheres to a highly documented level of skill & capability"

Eligibility

MINIMUM EDUCATION	MINIMUM WORK EXPERIENCE
Associate or higher degree in engineering technology, engineering, or a physical science	3 Years
High school diploma plus two or more years engineering/technical school courses	3 Years
High school diploma plus one year engineering/technical school courses or one or more years of vocational education and training in a welding curriculum	4 Years
High school diploma or approved high school equivalency diploma	5 Years
At least 8 th grade	9 Years

Seminar Pattern

2 Days of the seminar will be used to cover the (Part-A) "Fundamentals" part of the examination that covers all the facets of AWS QC1:2007, Welding Process, Weld Joint Geometry and Welding Symbols, Document Governing Welding Inspection and Qualification, Metal Properties and Destructive Testing, Welding Metallurgy, Weld and Base Metal Discontinuities, Visual Inspection, other NDE Methods and Symbols, Safety in Welding and Cutting.

1 Days will be used to cover the (Part-B) "practical applications" part of the examination. This will expose you to actual visual inspection tools, gauges, weld replicas and further to the acceptability and rejection criteria of sample weldments based on the Book of Specification.

1 Days will be used to expose and refresh your skills in comprehending the welding code books (Part-C) including qualification of welding procedure. (All candidates should bring their own Code Book)

Exam Pattern

Examination	Number of Questions	Duration	Min % to Pass
Part A - Fundamentals	150	2 Hrs.	72% CB
Part B - Practical	46	2 Hrs.	72% CB
Part C - Code Book	60	2 Hrs.	72% OB
CB - Closed Book Exam; OB - Open Book Exam			

KEY BENEFICIARIES OF THE EVENT

Though the seminar and certification gives a career boost for all individuals in engineering domain, it is specifically recommended for the professionals in the following category:

- ❖ Welding Foremen, Inspectors, Supervisors & Engineers.
- ❖ QA/QC Inspectors and Engineers.
- ❖ Field service staff, Engineers and Supervisors.
- ❖ Erection & Construction Engineers and Supervisors.
- ❖ Field Experience Welders & NDT Professionals.

REGISTRATION PROCESS:

- ❖ Registration/application is to be completed preferably 4 weeks prior to the commencement of the seminar, to avoid any late fees or disappointments.
- ❖ Upon completion of the registration process, candidates can collect their copy of study materials and AWS QC1:2007 certification handbook. This will help you to start your preparations immediately.

Mode of Payment:

- The Seminar and Examination can be paid by Cash at Dubai, UAE
- The Seminar and Examination can be paid by Cash at Doha, QATAR
- All the necessary documents along with filled registration and application form should be sent to the following address:-

BETZ ENGINEERING & TECHNOLOGY ZONE

#74, First Street, Jeevan Nagar,
Adambakkam, Chennai -600 088.
Phone: 044-65364123 / 22670206
Mobile: 9551665683 / 9840175179

Let us know by calling **RG.Ganesan - 9840175179** or send an email, if you need any further clarifications.

Renewals

The renewal process is part of your continued certification according to QC1:2007. The Validity of the certification is 3 years and CWIs can renew their status by applying in the prescribed application format before the expiration date of the certification.

If the renewals are not applied before expiration, the candidates lose their CWI status and will have to reappear for fresh certification.

Contact us for the renewals of your AWS-CWI certifications well before 8-weeks of expiration.
