## About Us

BETZ Engineering & Technology Zone is an accredited International Agency for American Welding Society, Florida, USA, to conduct seminars and certification programs for AWS in India and Worldwide. BETZ is an ISO 9001:2008 company, also BETZ is the only "ATF-Accredited Test Facility" by AWS to evaluate and certify welders in India.

## AWS / SCWI

"The AWS/SCWI Certification is one of the industry's most reputed Stamps of approval. Industry professional who qualify for CWI & SCWI are highly regarded and sought after throughout the welding and QA/AC industry, because certification adheres to a highly documented level of skill & capability"

## Eligibility

Every CWI who has held CWI certification for a minimum of six years and possess the requisite 15 years of experience, is not necessarily a candidate for the SCWI exam. Ideal candidates for the SCWI exam have sought out opportunities to expand their careers. Senior Certified Welding Inspector candidates typically will have supplemented their basic education or gained extensive problem - solving experience. Such a background should provide them with a deep and specific understanding of advanced NDE topics, quality systems, procedure qualifications, and other SCWI knowledge areas as identified below.

## Experience Requirements:

SCWI applicants must document direct work involvement in:

- Design - preparation of plans and drawing for weldments, preparation of inspection procedures, requirements, acceptance criteria.
- Production - planning, control, and supervision of welding materials, procedures and operations.
- Construction - personnel supervision and fabrication or erection of weldments.
- Quality control - detection and measurement of weld discontinuities, procedures, supervision of personnel, specification of QC methods, review of QC programs of vendors.
- Quality assurance - specification of QA methods, review QA programs of vendors, and conducting audits of vendors.
- Examination - examination testing, application of visual or other nondestructive evaluation process.
- Repair - repair of defective welds or supervision of personnel performing repair.

## Seminar Pattern

2 Days of the seminar will be used to cover the (Part A) "Technical Fundamentals" part of the examination that covers all the facets of AWS QC1:2007, NDE-Dye Penetrant, Visual Direct - AWS B1.11, Visual Indirect, Radiography, Ultrasonic, Magnetic Particle, NDE/Weld Discontinuity, Mech. Test & Properties, Quality Assurance, Mechanical Testing - AWS B4.0, Inspection Metallurgy-AWS D10.4, Welding Inspection & Flaws, UT-General Theory, ANSI Z49.1.

- 2 Days will be used to cover the (Part B) "Technical Specific" part of the examination that covers Procedure and Performance Qualification
  - AWS B2.1, Mechanical Testing-AWS B4.0, Quality Assurance AWC QC1, ASNT SNT-TC-1A
- 1 Day will be totally dedicated to discussion and review session for Part-A & B.

## Exam Pattern

Examination	Number of Questions	Duration
Part A - Fundamentals	138	2 Hrs.
Part B - Specific	62	2 Hrs.

Both the exams are open book  
144 correct answers required to pass out of 200 (72%)

## Registration Process

- Registration/application is to be completed preferably 4 weeks prior to the commencement of the seminar, to avoid any late fees or disappointments.
- Upon completion of the registration process, candidates can collect their copy of study materials and AWS QC1:2007 certification handbook. This will help you to start your preparations immediately.

## Mode of Payment:

- The Seminar and Examination can be paid by Cash at Dubai, UAE
- The Seminar and Examination can be paid by Cash at Doha, QATAR
- All the necessary documents along with filled registration and application form should be sent to the following address:-

### BETZ ENGINEERING & TECHNOLOGY ZONE

#74, First Street, Jeevan Nagar,

Adambakkam, Chennai - 600 088.

Phone: 044-65364123 / 22670206

Mobile: 9551665683 / 9840175179

Let us know by calling **RG.Ganesan - 9840175179** or send an email, if you need any further clarifications.

## Renewals

The renewal process is part of your continued certification according to QC1:2007. The Validity of the certification is 3 years and SCWIs can renew their status by applying in the prescribed application format before the expiration date of the certification.

If the renewals are not applied before expiration, the candidates lose their SCWI status and will have to reappear for fresh certification.

Contact us for the renewals of your AWS-SCWI certifications well before 8-weeks of expiration.
